Steven Thomson

Web developer with 4+ years' experience in ESL Education. I mainly focus on JavaScript, React, and Node.js. I am in the process of completing an apprenticeship focused on the NERDS stack.

EXPERIENCE

Changdong Youth Center, Seoul, South Korea

ESL Instructor

MARCH 2018 - PRESENT

Developed curriculum for ESL students from ages 5-13. Instructed students in speaking-focused classes.

Hwarang Elementary School, Seoul, South Korea

ESL Instructor

MARCH 2015 - FEBRUARY 2018

Taught Korean government English curriculum as well as supplementary after school classes.

LCI English Academy, Gwangju, South Korea

ESL Instructor

MARCH 2014 - FEBRUARY 2015

Instructed kindergarten and elementary aged students in English. Mostly focused on speaking and writing. Coordinated a five act musical the kindergarteners participated in.
